Sairee Cottage is a nice family run business in the middle of the Sairee Beach. The Sairee Village is just behind and is located to the north of the Island. The friendly Staff offers a wide selection of activities, like snorkeling and diving trips with a professional team to the best diving points around the Island. The water is so clear and you can watch hundreds of different fishes and sharks. Enjoy this trip and discover the underwater world around you. The Bungalows are in a good quality and clean. Some of them are on the beach and some on the back in the garden. But all in all you have a nice view around. The Restaurant is directly on the beach and offers a good selection of Thai and European food. Beautiful sunset included.
