The AC Resort is situated in the middle of Sairee Beach, with large well maintained bungalows surrounded by beautiful gardens around a large swimming pool. The restaurant and reception is situated on the beach front with it spreading over two floors with a large bar and viewing area upstairs and both areas offering great views of Sairee Beach and also the sunset.

The bungalows are set back just off the main path on Sairee Beach with a large water feature that you have to cross to get to them, also with them being set back slightly away from the beach area it is a nice quiet spot to relax after a full day sunbathing or diving. It also has a nice large pool to relax and swim in. The restaurant offers both traditional Thai and western food with a nightly BBQ of locally caught fish, shrimp and squid on the menu, as well as beef, chicken and pork steaks choose from with all the trimmings.

With the AC Resort being in the middle of Sairee Beach and it having a large bar and restaurant area it is always popular, not just with the people staying at the resort but also people walking down the beach and footpath looking for somewhere to eat, drink and relax. They also have a full size pool table installed as well. I found all the staff very friendly and all with a good knowledge of English and local events happening on the island.
