<p>The Simple Life Resort is a stunning new apartment complex set in beautiful grounds and gardens, the resort is set back about 50 meters from the road, so during the day you can peacefully relax on a nice sun lounger by the pool, sipping the beverage of your choice. The resort is located in Sairee village only a few minutes walk away from Sairee beach with all the bars and nightlife. They also have a large bar and restaurant area located on the main road, this is a great place to meet people on an evening and chat about what is happening around Koh Tao.</p>
 <p>They are a very friendly resort who will try to make your stay as pleasurable as possible, the restaurant has an excellent menu offering very tasty traditional Thai food, as well as a large selection of different western food from all over the world, the bar offers everything from local beers and spirits, to tropical cocktails and imported beers.</p>
 <p>The reception area has a selection of leaflets for most of the activities on the island and they can also help you out with rental of a motorbike, ATV or even a jeep if required. there is also a free wi-fi in the reception area.</p>
 <p>The rooms here are all decorated and furnished to a high standard with all the rooms having a private terrace where you can view the resort and the pool area, all the rooms come with a western bathroom with a hot shower.</p>
 <p>They have a roof top garden bar which is due to be open shortly, from there you should be able to enjoy one of the many stunning sunsets we get here on Koh Tao, while enjoying the drink of your choice, and wondering which of the many bars in the area to start your evening at.</p>
 <p>They also offer a free pick-up to and from the boat, and if you have not sorted your on going transport, they can sort it for you in their travel agency, they can organise everything from boat, bus train or even plane tickets to bangkok, and beyond. they can also sort out any boat or snorkelling trips you may want to try, and if it is diving you have in mind, follow the link below to see what dive packages they have available.</p>
